COMPLIANCE WITH TITLE VI, CIVIL RIGHTS ACT OF 1964 AND THE MODIFIED COURT ORDER, CIVIL ACTION 5281, FEDERAL DISTRICT COURT, EASTERN DISTRICT OF TEXAS, TYLER DIVISION

Reviews of local education agencies pertaining to compliance with Title VI Civil Rights Act of 1964 and with specific requirements of the Modified Court Order, Civil Action No. 5281, Federal District Court, Eastern District of Texas, Tyler Division are conducted periodically by staff representatives of the Texas Education Agency. These reviews cover at least the following policies and practices:

- (1) acceptance policies on student transfers from other school districts;
- (2) operation of school bus routes or runs on a non-segregated basis;
- (3) non-discrimination in extracurricular activities and the use of school facilities;
- (4) non-discriminatory practices in the hiring, assigning, promoting, paying, demoting, reassigning or dismissing of faculty and staff members who work with children;
- (5) enrollment and assignment of students without discrimination on the ground of race, color or national origin;
- (6) non-discriminatory practices relating to the use of a student's first language; and
- (7) evidence of published procedures for hearing complaints and grievances.

In addition to conducting reviews, the Texas Education Agency staff representatives check complaints of discrimination made by a citizen or citizens residing in a school district where it is alleged discriminatory practices have or are occurring.

Where a violation of Title VI of the Civil Rights Act is found, the findings are reported to the Office for Civil Rights, Department of Health, Education and Welfare.

If there be a direct violation of the Court Order in Civil Action No. 5281 that cannot be cleared through negotiation, the sanctions required by the Court Order are applied.

FOREWORD

This Nonpublic School Directory has been prepared by the Research Office, Management Information Center of the Texas Education Agency and provides certain basic information on the schools listed. It has been designated as the last nonpublic school listing to be published as a separate document and every effort has been made to insure broad and accurate information. Beginning in the Fall of 1975, all nonpublic schools accredited by the Texas Education Agency will be listed in the Texas Public School Directory.

The information is arranged to indicate schools with church affiliation, and schools that are not church affiliated. The schools in each of the categories are alphabetized. County, district, and campus numbers are assigned only to schools accredited by the Texas Education Agency and are designed for computer record keeping purposes only.

The Catholic Schools are listed by Diocese. Church affiliated schools other than Catholic are listed by denominations state-wide.

Schools with an asterisk (*) following the 7-12 grade span enrollment figure offer military training.

Schools that are accredited by either the Texas Education Agency or by the Southern Association of Colleges and Secondary Schools or by both, have the date of initial accreditation given in the appropriate column or columns.

Commissioner of Education
